

## Agreement of Participation and Confidentiality

Thank you for participating in the Malaysian Sizing Survey: MySIZE. This document gives the permission for University of Malaya (UM) and Center of Research for Computational Sciences and Informatics in Biology, Bioindustry, Environment, Agriculture and Healthcare (CRYSTAL) to use your data. Please read the following carefully.

### 3D Body Scanner

-To automatically measure your body, the survey employs TX16 3D Body Scanner that uses safe white light. Please do not participate if you experience problems with flashing lights.

-Any injuries, harm, death or loss before, during or after the scan, University of Malaya (UM) or Center of Research for Computational Sciences and Informatics in Biology, Bioindustry, Environment, Agriculture and Healthcare (CRYSTAL) team will not be held responsible.

### Data Protection

-Your personal data may be analyze, used, and kept by University of Malaya (UM) and Center of Research for Computational Sciences and Informatics in Biology, Bioindustry, Environment, Agriculture and Healthcare (CRYSTAL)

-Your personal data may be used by the Malaysian Companies and Academic Institutions collectively and individually under Center of Research for Computational Sciences and Informatics in Biology, Bioindustry, Environment, Agriculture and Healthcare (CRYSTAL) permission.

-In legal terms, UM and CRYSTAL will be the data owners and controllers of the data and may process the data for the following purposes:

1. Creating a databank of the body scans, measurements and market research data.
2. Analyzing the databank to produce measurement data related to clothing/automotive industry etc.
3. Onward sale or transmission of anonymous data to other research institutions and commercial organizations, not necessarily for clothing purposes.

-This information is confidential and you will not receive any marketing material as a result of participating in the Malaysian Sizing Survey.

### Intellectual Property Rights

All intellectual property rights created by or in relation to this study, of which your body scans, measurements and market research data form part, will vest in University of Malaya (UM) and Center of Research for Computational Sciences and Informatics in Biology, Bioindustry, Environment, Agriculture and Healthcare (CRYSTAL).

I have read and agreed to the following terms and conditions
